

### OPENING DAY TO BE ANNOUNCED

While the Stay-at-Home order is in place Wading Pines Camping Resort will not be able to open the campground. When the order is lifted and we get the all clear, this will be updated. Currently we are preparing the park so that it is ready for opening. It is crucial during this time that we all take precautions to stop the spread of the coronavirus. Follow us on Facebook at Wading Pines Campground for updates. If you have a weekend reservation, we will call you to reschedule or cancel if your date nears, and you are welcome to call us anytime. Agents are in the office Monday through Friday from 8am to 2pm to answer any questions you may have. If you have a seasonal site we encourage you to pay your fees on time. Our General Manager is reaching out this week to our Seasonal campers by phone. Thank you for your support in this matter.

Sincerely,  
Michelle Burton  
General Manager

As per Governor Murphy's Executive Order on March 20, 2020, all residents are to "STAY AT HOME" until further notice to stop the spread of COVID-19. Until Governor Murphy's orders are lifted or changed, private campgrounds are closed for all vacationing and/or recreational activities.
